## Art the Mouse: Exploring Sculpture

Help Art the Mouse look for sculptures.

Hello, my name is Art and I am going exploring today. I am looking for some outdoor sculptures. Sculptures are three-dimensional artworks. They have height, width, and depth.

---

Some sculptures are small.

## Art the Mouse: Exploring Sculpture

Some sculptures are tall like this one. There are all types of sculpture. Are there sculptures near the place you live?

Can you make a sculpture out of things at your home? You can use paper, blocks, play dough, popsicle sticks, and more!
